

Special Session Speaker:

Name: Daniel CIUCUR

Job position: Psychologist, PhD

Company: CIUCUR & CIUCUR

e-mail: daniel@ciucur.ro

danielciucur@yahoo.com

Presentation: Counterproductive behaviors at work and how to avoid them

Short CV:

- Principal Psychologist and Supervisor in the following fields: Organisational and Labour Psychology, Traffic Psychology and National Security Psychology
- Psychotherapist (using Transactional Analysis)
- Certified Process Communication Model® Trainer
- Member in the Romanian Board of Psychologists, Timis County
- Former Dean/Faculty of Psychology, "Tibiscus" University of Timisoara

Daniel Ciucur has 16 years of Transactional Analysis psychotherapy practice, which enables him to find the roots and the solutions for different counterproductive and dysfunctional human behaviours, both at work, and in private life.

Using Organisational Transactional Analysis and Process Communication Model® as psychological tools, Daniel Ciucur is helping companies to improving their employees' leadership, communication and motivation skills, increasing employee retention, developing group cohesion in working teams and decreasing emotional discomfort.
